Cremation Products

*More and more people are choosing cremation.
These granite cremation products provide the classic styling,
security and timeless beauty that only granite tributes can provide.*

Pre-assembled

48 Niche Columbarium

This columbarium will enhance the beauty and profits of any cemetery. Three outstanding design elements make this columbarium unparalleled in the industry:

① Unique Locking System

Patent pending system has no exposed rosettes, screws, styles or rails.

② Self-Supporting Frame

Granite doors, measuring 12" x 12" x 3/8" are mounted on a self-supporting frame.

Rust-resistant niches, measuring 12" x 12" x 12", have internal metal doors enabling them to be sealed individually as needed.

Sandblast carving or lettering can be placed on the ends, or bronze features mounted to the top to add to the appearance. Names, dates and carvings can be sandblasted on the doors, or bronze letters and emblems may be added for memorialization.

Many other color combinations and niche quantities are available.

Unit shown is in Everlasting Blue granite with Jet Black crypt fronts.
